## CIRCULAR LETTER 425 – APRIL 30, 2002

TO: Members of the Bureau

FROM: Donna Knepper

RE: Wisconsin Ratemaking

The WCRB has been notified by several carriers that the National Council on Compensation Insurance (NCCI) has contacted them via letter requesting coverage and claim information for specific policies. The NCCI is stating that: “The following information for the state of **Wisconsin** has the potential to have a significant impact on the upcoming rate filing.”

The NCCI was notified by the WCRB in a letter dated March 25, 2002, requesting that these requests be discontinued, as the WCRB has responsibility for Proof of Coverage in the state of Wisconsin, as well as ratemaking. In the future, if your company receives **any** requests for data, please forward these requests to my attention.
