Previously announced in General Circular 440, dated 10-20-03, Wisconsin has developed a financial call reporting tool called WIFDRA (Wisconsin Financial Data Reporting Application). All WCRB members filing financial call data are required to utilize this tool to enter or import call data, edit, correct and file all financial call data required by WCRB. It is important to note that 2005 data Calls will only be accepted through the WIFDRA. All other formats will be rejected.

If you have any questions, or need WIFDRA User IDs or passwords, please contact [financial.calls@wcrb.org](mailto:financial.calls@wcrb.org).
