GENERAL CIRCULAR LETTER 487 – JANUARY 31, 2006

To: All Holders of *Workers Compensation Data Specifications Manual*

In September 2005, the WCIO/EDI Committee met to review and discuss proposed changes to ***WCIO Workers Compensation Data Specifications Manual*** and the ***Data Reporting Handbook***. The updated pages dated September 2005 reflect the revisions as approved by the committee.

The updated version of the ***WCIO Workers Compensation Data Specifications Manual*** is now available on the WCIO Web site at www.wcio.org under the “Products” section. Revisions were also made to the ***Data Reporting Handbook***.

Since this is a “revision,” all additions, changes, and deletions will be identified with markings in the margins and underlined in the text. The date at the top of the page where the revision took place reflects the date the change was made.

Contact the appropriate individual insurance organization/jurisdiction concerning any questions you have regarding the additions, deletions and/or changes, and any applicable effective date of this reprint.

Sincerely,

WCIO EDI Committee
