

Maritime Coverage Endorsement

This endorsement changes the policy. Please read it carefully.

This endorsement modifies insurance provided under the following:

Excess Workers' Compensation and Employers' Liability Policy

This endorsement changes how insurance provided by Part Two (Employers Liability Insurance) applies to bodily injury to a master or member of the crew of any vessel.

Section II Excess Insurance Provisions - Our Limit of Indemnity and Your Retention, item **A. Our Limit of Indemnity** is deleted and replaced by the following:

A. Our Limit of Indemnity

Our liability to pay for damages is limited. Our limits of liability are shown in the Schedule. They apply as explained below.

1. **Bodily Injury by Accident.** The limit shown for "bodily injury by accident—each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.

A disease is not bodily injury by accident unless it results directly from bodily injury by accident.

2. **Bodily Injury by Disease.** The limit shown for "bodily injury by disease—aggregate" is the most we will pay for all damages covered by this insurance because of bodily injury by disease to one or more employees. The limit applies separately to bodily injury by disease arising out of work in each state shown in Item 2 of the Information Page. Bodily injury by disease will be deemed to occur in the state of the vessel's home port.

Bodily injury by disease does not include disease that results directly from a bodily injury by accident.

3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.
