CIRCULAR LETTER 1118–APRIL 6, 2010

The WCRB is deeply saddened to announce the sudden death of its President, Ralph M. Herrmann. Ralph took on the job of President of the WCRB in 2000, and has guided the Wisconsin Bureau through a multitude of changes over the last 10 years, with a steady and reassuring hand. He was instrumental in developing many significant technological advances used by the WCRB and other rating bureaus across the country. Ralph gave the WCRB a voice in national organizations, and represented the WCRB and its members with passion and diplomacy in his role as President. His great sense of humor and quick wit made him a popular speaker and educator for the WCRB.

Ralph was a devoted husband and father, and his favorite pastime was golf. Many of our best memories of Ralph are his stories from the golf courses he played with his sons, his friends, and his colleagues in the workers' compensation industry.

Ralph will be greatly missed by all who had the pleasure of knowing and working with him.
